Skin Conditioner – Maine & Tail	Soap
Water Hose	Other show supplies needed
Chairs	Cooler with drinks/snacks
Shavings	

Please let me know if you have any questions or need any additional information about this show.

While attending the Austin Livestock Show, all students exhibiting animals are being supervised by the Ag Sponsor from the time of the loading of their project(s) for the show until they are released to their parents after the completion of the show or by the Ag Sponsor. Therefore, all students are to work together to maintain a clean display area for their particular species. This includes but is not limited to watering all animals, scooping manure, raking the display area, and ensuring the safety of all animals. If you have any questions, feel free to contact the agriculture advisor.
